Search Capabilities

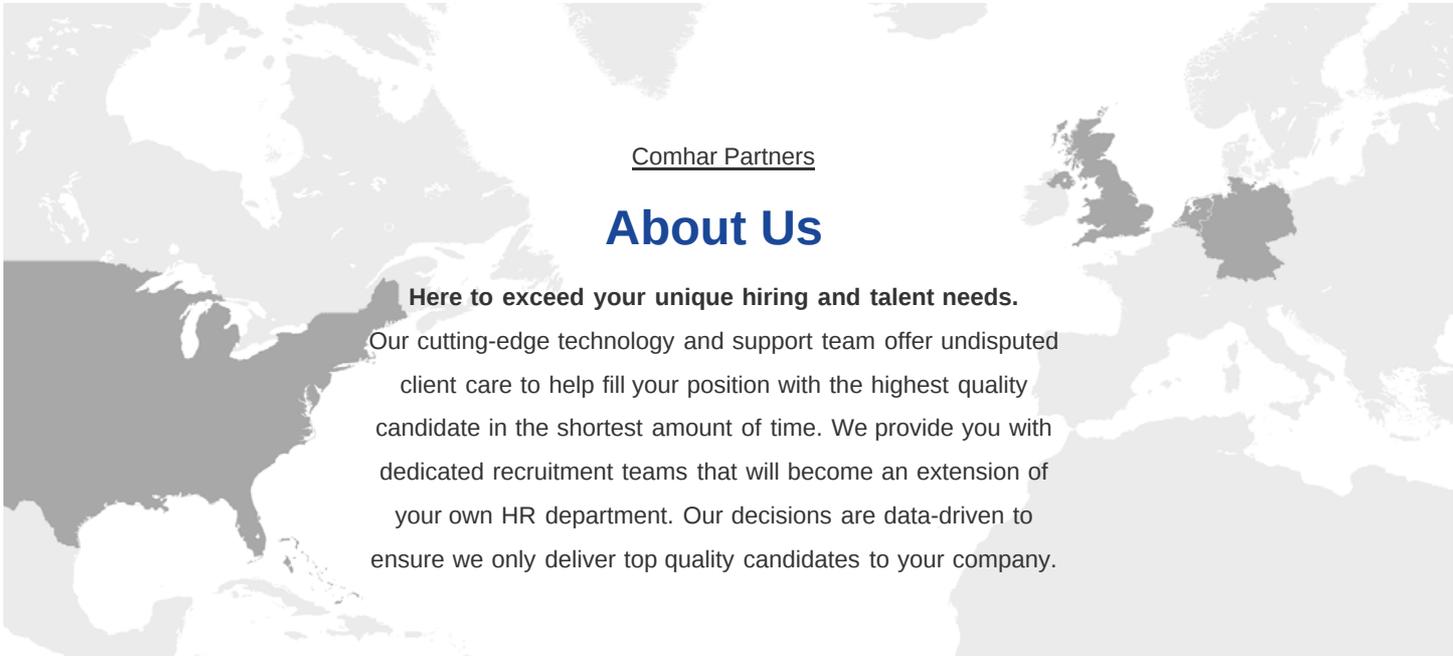

Comhar Partners

Comhar Partners was formed with the purpose of having all of the capabilities of larger firms while being more nimble and entrepreneurial in the marketplace. This is exhibited by our qualified people, one-firm approach, and our broad service offerings which include Executive Search, Professional Recruiting, and Talent Advisory Services. We distinguish ourselves by building long-term, collaborative and transparent partnerships with our clients.

In conjunction with providing talent management services, we provide built-in advisory services with every search. This includes a detailed compensation analysis conducted by our independent compensation consultant, an in-depth personality inventory conducted by Hogan Assessments, and the assignment of an Executive Coach to provide onboarding and acculturation consulting.

Our adept team of consultants and project managers complete end-to-end recruiting solutions, with an emphasis on collaboration. Comhar Partners uses a proprietary, fully integrated, cloud-based talent management software solution for data management and applicant tracking, to ensure a more efficient project for you.

A light gray world map is visible in the background of the lower section of the page, showing the continents of North America, South America, Europe, and Africa.

Comhar Partners

About Us

Here to exceed your unique hiring and talent needs.

Our cutting-edge technology and support team offer undisputed client care to help fill your position with the highest quality candidate in the shortest amount of time. We provide you with dedicated recruitment teams that will become an extension of your own HR department. Our decisions are data-driven to ensure we only deliver top quality candidates to your company.

Executive Search

At Comhar Partners we understand that attracting top talent for C-suite and Executive Level positions that are considered mission-critical for the organization requires an expert. Our consultants hold a comprehensive understanding of different industries and functional roles to guarantee finding your best-fit leader who will make a lasting impact within your organization. Our consultants work to build an appropriate framework for compensation and retention while identifying industrious and unique leaders that fit flawlessly into your organization. Whatever industry your organization is in, our unique and innovative approach allows our clients' unparalleled resources and unmatched results.

Professional Recruiting

This contemporary search process offers flexible and scalable talent acquisition solutions tailored to attract professionals at the middle to upper levels of management. With our professional recruiting offerings, we become an extension of your human resources team in order to advance your recruiting process. Our Professional Recruiting Services are cost-effective, scalable, quality-driven, and flexible.

Our cutting-edge technology and support team offer undisputed client care to help fill your position with the highest quality candidate in the shortest amount of time. We provide you with dedicated recruitment teams that will become an extension of your own HR department. Our decisions are data-driven to ensure we only deliver top quality candidates to your company.

Talent Advisory Services

At Comhar Partners, we understand that your goal is to create talent management strategies to attract candidates who have the skillset to take your organization to new limits in the future. Our specialists in Executive Leadership and Cultural Assessment, Leadership Coaching and Development, On-Boarding and Acculturation Coaching, and Compensation Consulting are able to accommodate and understand the needs and aptitude of each individual, in order to make the most of your potential and use your leadership skills to the fullest effect. Whether your organization is looking for a new structure or strategic advisement on compensation consulting, Comhar Partners is here for you.

Talent Acquisition Process

Engagement/Consulting Launch:

Identify the key elements for the search, profile the company, and review the desired education, skills, experience, and cultural fit of targeted candidates.

Research/Candidate Development Commenced:

Build a highly qualified list of calibrated prospects and initiate pursuits of this targeted list.

Assessment/Interviews:

Initial interviews are completed. Based upon results endorsed by the client, we conduct in-depth interviews and assessments, which are reviewed with clients.

Project Management/Client Advising:

As the search progresses, we advise the client on all aspects of attraction, assessment, and acquisition.

Hiring/On Boarding:

Negotiate, hire, and monitor the assimilation of the new hire into the client organization.

Our Experience

Hasko designs and manufactures robust, productive and efficient woodworking equipment, both standard models and custom machines that give their customers a competitive advantage through designs that improve uptime, labor content, and throughput. Hasko is headquartered in Tennessee and is owned by Iron Range Capital Partners.

Position Placed: Chief Executive Officer

Mason Wells is a highly experienced and active private equity investor in companies with revenues of \$25 million to \$300 million. Since 1982, they have invested in over 50 companies in three specific industry sectors: engineered products and services; outsourced business services; and packaging and packaged goods.

Position Placed: Chief Executive Officer

Starting with socks for lumberjacks in northern Wisconsin in 1905, to apparel for today's active lifestyle consumer, Wigwam has been combining comfort, style, and long wear life into its products for over 111 years. As an authentic American, family-owned company, Wigwam takes pride in its Made in the USA products, driving an uncompromising commitment to quality.

Position Placed: Chief Executive Officer

Lakeside Foods, headquartered in Wisconsin, is recognized as the premier U.S. Private Brand supplier of high-quality frozen vegetables and canned vegetables to the retail, foodservice, and industrial sectors.

Position Placed: Chief Executive Officer

Chief Executive Officer Practice

The need for qualified senior level executives is drastically outpacing the supply.

Our Chief Executive Officer Practice

Finding Chief Executive Officers who can drive organizational success in major corporations and organizations is a strength and key practice area for Comhar Partners. We are called upon daily to advise on the assessment and selection of top executive leadership across the nation.

Chief Executive Officers lead the organization, and they require a team of highly qualified people to deliver on their promises. Thus, hiring managers appreciate proper and rigorous due diligence when applied to the search and selection process for Chief Executive Officers and their support team. Recruiting and assessing Chief Executive Officers requires expertise that only years of specialized experience can endow. The consultants in our national Chief Executive Officer Practice Group possess that very expertise.

Our consultants bring an abundance of personal experience gained through both client search engagements and previous business operational experience with Chief Executive Officers and other functional executive roles.

Regardless of the size and the corporate culture of your business, we have the team to provide outstanding candidates to fill your management search needs. Our industry expertise, professionalism, integrity, and high-touch processes enable our Chief Executive Officer Practice Group to gain credibility with clients, candidates, and industry leaders on a national basis.
