Who We Are

Our Company

Comhar Partners was formed to have all of the capabilities of the larger firms while being more nimble and entrepreneurial in the marketplace; exhibited by our people, one firm approach and our service offerings which include Executive Search, Talent Advisory Services and Professional Recruiting. Comhar Partners is headquartered in Chicago with specialized recruiting consultants in 7 offices across the US.

Our Mission

Our mission is very clear - to provide flexible and transparent service.

Our Passion

We have a passion for collaboration. Comhar, derived from the Gaelic word meaning “collaboration”, came together with the intent of providing expert recruiting in deep partnership with clients in order to solve talent management challenges.

What Sets Us Apart

- ✓ We believe that the key to success is collaboration. We will be with you every step of the way
- ✓ We have 20 industry-specific consultants
- ✓ We provide you with consultative insights
- ✓ All data that we source will be given to you
- ✓ We provide talent advisory services that will help you attain your goal of creating talent management strategies

Executive Search

Attracting top talent requires a meticulous approach in assessing executives’ abilities to be prosperous in their specific roles. Our consultants hold a comprehensive understanding of different industries and functional roles to guarantee finding your best-fit leader who will make a lasting impact within your organization.

Professional Recruiting

This contemporary search process offers flexible and scalable talent acquisition solutions tailored to attract professionals at the middle to upper levels of management. With resources dedicated to each industry and sector across the nation, Comhar Partners is beyond equipped to meet your hiring needs.

Talent Advisory Services

At Comhar Partners we understand that your goal is to create talent management strategies to attract candidates who have the skillset to take your organization to new limits in the future. We provide talent advisory services such as compensation analysis, executive assessment, and on boarding and acculturation.

Consumer Products and Services

The consumer products and services industry represent our many national clients. With our bounteous years of experience, Comhar partners has helped consumer companies to identify, assess and recruit top talent executives who exceed expectations and make a lasting impact on the organization.

Our consultants bring a unique mix of national and local knowledge as well as years of practical application of senior executive search. This incomparable combination helps us build dynamic people pipelines that give organizations the aptitude to make lasting connections with the consumer audience.

We strive for excellence and we are always ready to serve you, be it on a regional or national level.

Our consultants help you stay ahead of the curve of ongoing transitions in the Consumer Products and Services landscape. We work closely with you to assess candidates' key experiences, core competencies, and leadership potential.
