## Who We Are

### Our Company

Comhar Partners was formed to have all of the capabilities of the larger firms while being more nimble and entrepreneurial in the marketplace; exhibited by our people, one firm approach and our service offerings which include Executive Search, Talent Advisory Services and Professional Recruiting. Comhar Partners is headquartered in Chicago with specialized recruiting consultants in 7 offices across the US.

### Our Mission

Our mission is very clear - to provide flexible and transparent service.

### Our Passion

We have a passion for collaboration. Comhar, derived from the Gaelic word meaning “collaboration”, came together with the intent of providing expert recruiting in deep partnership with clients in order to solve talent management challenges.

## What Sets Us Apart

- ✓ We believe that the key to success is collaboration. We will be with you every step of the way
- ✓ We have 20 industry-specific consultants
- ✓ We provide you with consultative insights
- ✓ All data that we source will be given to you
- ✓ We provide talent advisory services that will help you attain your goal of creating talent management strategies

### Executive Search

Attracting top talent requires a meticulous approach in assessing executives’ abilities to be prosperous in their specific roles. Our consultants hold a comprehensive understanding of different industries and functional roles to guarantee finding your best-fit leader who will make a lasting impact within your organization.

### Professional Recruiting

This contemporary search process offers flexible and scalable talent acquisition solutions tailored to attract professionals at the middle to upper levels of management. With resources dedicated to each industry and sector across the nation, Comhar Partners is beyond equipped to meet your hiring needs.

### Talent Advisory Services

At Comhar Partners we understand that your goal is to create talent management strategies to attract candidates who have the skillset to take your organization to new limits in the future. We provide talent advisory services such as compensation analysis, executive assessment, and on boarding and acculturation.

## Healthcare and Life Sciences

There are historic challenges confronting today's healthcare and life sciences industry and along with that comes massive change. Confronted with such big change, it is important now more than ever that your organization has the right organizational structures that will rise to new opportunities and overcome obstacles to help position your organization for lasting growth.

Comhar Partners understands the competitive and rapidly evolving landscape faced by life science, pharmaceutical and healthcare provider organizations. Our greatest strength is our ability to partner with our clients and provide a high quality, timely and value-added solution for a wide range of their senior human capital needs.

Comhar Partner's Life Sciences and Healthcare Practice Group strives for excellence and is always ready to serve you, be it on a regional or national level.

**Our consultants help you stay ahead of the curve of ongoing transitions in the Healthcare and Lifesciences landscape. We work closely with you to assess candidates' key experiences, core competencies, and leadership potential.**

---

# Business Markets

## Healthcare Management

Our team in healthcare management is an experienced group of management consultants who understand the particular challenges of attracting and recruiting highly qualified leaders within the healthcare landscape. We have led human capital search programs across the United States to build competitive advantage for our clients.

## Healthcare Provider

Our team in the healthcare provider landscape is an experienced group of management consultants who understand the particular challenges of attracting and recruiting highly qualified leaders within the healthcare provider landscape. We have led human capital search programs across the United States to build competitive advantage for our clients.

## Medical Devices

Technology plays a role in every aspect of life sciences, including new products, medicines, and even systems that will transform human life as we know it. To be at the top of the class, life science companies need top technology leaders who understand the competitive environment of medical devices. Comhar Partners will find you those exceptional leaders that will transform your organization.

## Healthcare Payer
