Who We Are

Our Company

Comhar Partners was formed to have all of the capabilities of the larger firms while being more nimble and entrepreneurial in the marketplace; exhibited by our people, one firm approach and our service offerings which include Executive Search, Talent Advisory Services and Professional Recruiting. Comhar Partners is headquartered in Chicago with specialized recruiting consultants in 7 offices across the US.

Our Mission

Our mission is very clear - to provide flexible and transparent service.

Our Passion

We have a passion for collaboration. Comhar, derived from the Gaelic word meaning “collaboration”, came together with the intent of providing expert recruiting in deep partnership with clients in order to solve talent management challenges.

What Sets Us Apart

- ✓ We believe that the key to success is collaboration. We will be with you every step of the way
- ✓ We have 20 industry-specific consultants
- ✓ We provide you with consultative insights
- ✓ All data that we source will be given to you
- ✓ We provide talent advisory services that will help you attain your goal of creating talent management strategies

Executive Search

Attracting top talent requires a meticulous approach in assessing executives’ abilities to be prosperous in their specific roles. Our consultants hold a comprehensive understanding of different industries and functional roles to guarantee finding your best-fit leader who will make a lasting impact within your organization.

Professional Recruiting

This contemporary search process offers flexible and scalable talent acquisition solutions tailored to attract professionals at the middle to upper levels of management. With resources dedicated to each industry and sector across the nation, Comhar Partners is beyond equipped to meet your hiring needs.

Talent Advisory Services

At Comhar Partners we understand that your goal is to create talent management strategies to attract candidates who have the skillset to take your organization to new limits in the future. We provide talent advisory services such as compensation analysis, executive assessment, and on boarding and acculturation.

Technology Services

The Technology Practice Group consists of our national professional team with experience and judgment to assist in senior leadership needs of organizations through superior service. Our consultants understand the dynamic, rapidly changing technology environment and have earned a reputation for finding superior talent to bring immediate value to the organization.

Our consultants bring a wealth of personal experience gained through both client search engagements and previous business operational experience with technology organizations.

Regardless of the size and the corporate culture of your business, we have the team to provide outstanding candidates to fill your management search needs. Our industry expertise, professionalism, integrity and high-touch processes enable our Practice Groups to gain credibility with clients, candidates and industry leaders on a national basis.

We strive for excellence and we are always ready to serve you, be it on a regional or national level.

Our consultants help you stay ahead of the curve of ongoing transitions in the Technology Services landscape. We work closely with you to assess candidates' key experiences, core competencies, and leadership potential.

Business Markets

Cyber/Risk Security

Organizations of all sizes face a sophisticated, and rapidly evolving cyber-threat landscape. Cyber security is a threat to businesses everyday, and companies have a significant task ahead of them to build a safe and secure company. Comhar Partners will find you executives that have a combination of business, technology, security, data, leadership, and communications expertise.

Digital Media

Unparalleled shifts are disrupting the consumer digital media and entertainment world. Managing the new market dynamics requires a unique set of competencies. Comhar assess executives who understand the power of the consumer and can develop appropriate distribution channels, partnerships, and content to support the establishment of successful business models.

Infrastructure

Comhar possess a unique combination of the personal touch and technological savvy, of a boutique firm and national infrastructure knowledge. Our infrastructure practice group is a smart, comprehensive solution that ensures infrastructure organizations are optimized with workforces that can execute on strategy.

Software

The software supplier market continues to be challenging. Comhar Partners understands the low barriers of entry, and new, small players entering with limited budget and backing. We are able to thoughtfully navigate these challenges and bring your organization peak talent.

Data Analytics

By capturing all of the data that streams into your businesses, you can apply analytics and get significant value from it such as speed and efficiency. The ability to work faster – and stay agile – gives organizations the competitive edge they didn't have before. The use of data analytics is in every segment of every industry, and Comhar Partners is here to find you the best equipt executives for your organization.

Hardware

Comhar Partners is dedicated to identifying, evaluating, recruiting and delivering the highest-caliber computer hardware executives who can step into a position and begin contributing to your company immediately. Whether you need to find a CEO or to build an entire computer hardware team virtually overnight, Comhar Partners is the best pick for you.

Mobile

The integration of solutions running on mobile devices is widely used. If your company does not focus on mobile optimization, then you may be loosing profit. Comhar Partners is well versed in the mobile technology landscape and is committed to helping you find the perfect executive for your organization.
